

# Ohio LSC Open Water Championship

## 2018 Entry Instructions & Notes

Thank you for entering your athletes into the 14<sup>th</sup> Annual Ohio LSC Open Water Championship on Wednesday June 27, 2018 at Hueston Woods State Park College Corner, Ohio, just north of Oxford, Ohio.

The Hytek Team Manager Event file can be downloaded directly from the meet website at [OhioOpenWater.com](http://OhioOpenWater.com). We encourage Hytek entries to insure your athletes are entered correctly.

When you bring in the Event file to Team Manager, you will notice the individual events are listed as 200 Freestyle (for 10 & Under) and 400/500 freestyle (for 11 & over). This was designed to simplify your adding of athletes to the meet.

We had tested the 1K, 2K, 3K, 4K as the distances, but when you added a swimmers with a 200 or 400 freestyle time, Team Manager always replied “time out of range”. This was a real hassle, so we simply used the event qualifying standards for event distances. We will change this back to the actual distance once all entries are received.

**Do not enter Relays**, as we will do this at the meet. Open Water Relays will be comprised of 3 swimmers per relay. The Top 3 swimmers for each team for each event will automatically be added together as designated as the “A Relay”. The next 3 swimmers for each team in each event will automatically be designated as the “B Relay”, etc.

Individual Entries: You can add a swimmer with a time from long course meters (200/400 meters), short course meters, or short course yards (200/500 yards). The time standards (National BB) are in the Event file. **NT (no time) entries will not be accepted.**

**Special Note:** If you have a 10 & Under swimmer which has aged up into the 11-12 age group, which has been unable to swim the 400 meter freestyle in long course because of event limitations, and has achieved a National BB time in the 200 freestyle as a 10 & under since January 1, 2017, we will accept the swimmer into the meet. Please enter this swimmer at the 11-12 cut time for the 400 meter freestyle.

Any question, please send an e-mail to Mike Rice, Entry Chair, [MeetEntry@swimcincinnati.org](mailto:MeetEntry@swimcincinnati.org)
